**TOWN WARRANT  
TOWN OF GOSHEN  
State of New Hampshire**

**The Business portion of the Town Meeting will begin at 7:30 p.m.**

To the Inhabitants of the Town of Goshen, New Hampshire in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Goshen Town Hall in said Goshen on Tuesday, the Eighth day of March, next at One of the clock in the afternoon to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To receive the reports of the Town Officers and take action thereon.
3. To see if the Town will vote to raise and appropriate the following sums of money:

Town Officers' Salaries	\$7,825.00
Town Officers' Expenses	8,000.00
Election and Registration Expense	300.00
Cemeteries	500.00
Town Hall and Other Buildings	6,000.00
Damages and Legal Expense	3,000.00

4. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to have a reappraisal made of all real estate in the Town.
5. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for Planning and Zoning.
6. To see if the Town will vote to raise and appropriate the sum of \$113.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town together with other towns in the Dartmouth-Lake Sunapee Region.
7. To see if the Town will vote to raise and appropriate the sum of \$412.00 to remain a member of the Upper Valley-Lake Sunapee Council. (Not recommended by the Budget Committee)
8. To see if the Town will vote to raise and appropriate the sum of \$8,200.00 for the use of the Police Department.
9. To see if the Town will vote to raise and appropriate the following sums of money:

Fire Department	\$5,600.00
Civil Defense	100.00
10. To see if the Town will vote to raise and appropriate the sum of \$15,500.00 for Summer Maintenance of Roads, and \$12,000.00 for Winter Maintenance of Roads; General Expense of Highway Department \$10,000.00; Street Lighting, \$120.00.
11. To see if the Town will vote to raise and appropriate the sum of \$5,384.29 for the construction or reconstruction of Town Roads and to accept from the State approximately \$5,384.29 of Additional Highway Subsidy Funds for this purpose, in accordance with RSA 241:15.

12. To see if the Town will vote to apply for Town Road Aid and to raise and appropriate the sum of \$345.14 for this purpose.
13. To see if the Town will vote to raise and appropriate the sum of \$467.10 to work with the NH/Vt Solid Waste Project.
14. To see if the Town will vote to raise and appropriate the sum of \$3,200.00 to maintain the Town Dump.
15. To see if the Town will vote to raise and appropriate the sum of \$2,662.75 for the Health Department: Newport Area Home Health Agency, \$1,423.00; Newport Ambulance Service, \$1,239.75.
16. To see if the Town will vote to raise and appropriate the following sums:
 

Town Poor	\$3,000.00
Aid to Permanently & Totally Disabled	1,500.00
17. To see if the Town will vote to raise and appropriate the following sums:
 

Library	\$3,520.00
Patriotic Purposes	100.00
Vital Statistics	20.00
Conservation Commission	175.00
18. To see if the Town will vote to authorize withdrawal from the Federal Revenue Sharing Fund for use as a set-off against the following debt service:  
 PURPOSE
 

Fire Truck Note	\$3,800.00
Interest of Fire Truck Note	1,140.00
Interest on Tax Anticipation Loans	4,000.00
	\$ 8,940.00
19. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 towards bathrooms, water & sewage for the Town Hall.
20. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the Tax Map Reserve Fund.
21. To see if the Town will vote to raise and appropriate the following sums of money:
 

Employees' Retirement & Social Security	\$3,000.00
Insurance	10,000.00
Unemployment Compensation	500.00
22. To see if the Town will vote to increase the number of paid holidays for the Town Road Agent to the total of ten, and to grant two weeks paid vacation after completion of two consecutive years as road agent of Goshen.
23. (By Petition) "To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Goshen and to the health and welfare of the people of Goshen."
24. (By Petition) "Shall the citizens of Goshen, N.H. ask members of the New Hampshire Congressional Delegation to support or co-sponsor a resolution in the U.S. Congress to:
 

Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual

freeze on the testing, production, and deployment of nuclear weapons, with verification safeguards satisfactory to both countries.”

25. To discuss semi annual tax collections which the Selectmen intend to institute in 1983.
26. To see if the Town will vote to change the rate of pay of the secretaries of the Planning Board, and the Zoning Board from a \$50.00 yearly salary each, to the Federal hourly minimum wage.
27. To see if the Town will authorize the Selectmen to borrow money, in the form of Tax Anticipation Notes, in anticipation of taxes.
28. To take up any other business that may legally come before this meeting.

Given under our hands and seal, this Twenty-first day of February, in the year of our Lord Nineteen Hundred and Eighty-Three.

Robert A. Straw  
William H. Stevens  
Russell S. Gardner

A true copy of Warrant — Attest:

DEPARTMENT OF REVENUE ADMINISTRATION

December 22, 1982

Board of Selectmen  
Town Office  
Goshen, N.H. 03752

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1982 taxes on the basis of the following figures.

Net Assessed Valuation	\$5,288,672.00
Taxes Committed to Collector:	
Town Property Taxes Assessed	\$ 286,118.00
Total Gross Property Taxes	\$ 286,118.00
Less: Est. War Service Tax Credits	3,500.00
Net Property Tax Commitment*	\$ 282,618.00
Tax Rate - Town	\$ 5.41

\* The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation.

The net amounts approved for school, county and precinct are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$ 178,159.00
County Tax Assessment	35,053.00

In arriving at the above approved rate the Overlay has been set in the amount of \$4,517.00.

Very truly yours,  
Lloyd M. Price  
Commissioner

**DEPARTMENT OF REVENUE ADMINISTRATION**

**Separate Tax Rates to be Printed on 1982 Tax Bills (RSA 76:11; 11-a; 13)**

**TOWN OF GOSHEN, N.H.**

<b>Unit of Government</b>	<b>Rate</b>
Municipal	1.48
County	.65
School	3.28
Combined Rate (Non-Precincts & Single School Districts - Town or Cities)	5.41

Amount of Taxes to be Committed  
(per official tax rate letter)

\$ 282,618.00

## **POLICE DEPARTMENT REPORT**

### **1982 Year End Report**

I respectfully submit the following report on services provided by the Goshen Police Department.

Since taking the job of Police Chief in May, we responded to 110 calls plus numerous assistance was given over the phone.

There were two new officers sworn into the Goshen Police Department this year. Richard Lee comes to the Department with six years of experience. Officer Lee is also a fulltime officer for Newport Police. Officer John Gryval III, with five years experience, is also a Sergeant on the Sunapee Police Department. This benefits our town in that it saves the cost of training to become certified police officers.

Patrol and Radar operations were curtailed because of the poor condition of the old cruiser. The only times the car was used was to go on a call that needed immediate attention.

On August 24, 1982 I accepted the new 1982 Ford LTD cruiser package. The new unit was put on line on a call only basis until all radio and light units were installed. This car will give the town savings in maintenance and fuel charges. It will also bring quicker response times because the car will operate much more efficiently than the old one.

Also added this year was a new pager issued to Officer Gryval. Now all personnel will be on page systems of either Goshen or Newport so that we will effectively cover the town 24 hours a day.

Our number for the Goshen Police Department remains the same, 863-1702, but emergency numbers are 863-3232. This number will put the caller directly to the dispatch service for prompt dispatch of Police, and ambulance calls.

I wish to thank the people of Goshen for their support throughout the year.

Respectfully submitted,

David Burnham  
Chief of Police  
Goshen, N.H.

## **REPORT OF THE FIRE DEPARTMENT**

In 1982, the fire department responded to 31 calls recorded as follows: Structure 4, Chimney 10, Vehicle accidents 3, Electric Wires down 1, Grass & Brush 2, Smoke investigation 2, Mutual Aid 6, Dump fire 1, Rescue 1, False alarm 1. A total of 300 men responded. Reported fire loss was \$42,350. This represents 479 man hours of service responding to and fighting fire. Our records show a nearly equal amount of time contributed to clean up, training and meetings. At this time three more firefighters are enrolled in the New Hampshire firefighters certification program of 118 hours training.

We have continued to maintain and upgrade our equipment including top quality protective clothing for the men.

Our annual Auction earned \$1,600 (net) in 1982 for our equipment fund. When you do your spring cleaning, please remember our auction and give us a call at 863-2055 or 863-3293 if you have something to donate. We pick up year round.

In late October we sponsored a very successful stove and chimney safety clinic. Over 50 people attended.

I want to stress again, to report a fire in Goshen dial 542-5155, give your emergency information to the dispatcher and we will be notified by radio pager. Please remember 542-5155 is the number to call for fire emergencies ONLY. For burning permits call Forest Warden Arthur Nelson at 863-1509. For all other information and fire department business call 863-2055 or 863-3293.

I offer my sincere thanks to the firefighters for their many hours of work and participation, a special thanks to the wives and families for sharing the time away from home, and to the dispatchers, auction crew, town officials, and to all the citizens and taxpayers for the help and cooperation given to make the Goshen Volunteer Fire Department a very effective service to the town.

Respectfully submitted,  
Edwin I. Baker, Chief

## REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

### 1982 STATISTICS

# TRUSTEES OF OLIVE G. PETTIS LIBRARY

## 1982 Report

Circulation of books has remained high this year and patronage, both adult and juvenile, has increased.

Regular meetings of the Friends of the Library, Trustees of the Library and the Historical Society have been held at the Library.

The Friends of the Library held the annual Book Fair and Festival on the lawn in July. In August, the lawn was again used, this time by the Community Church Circle for the Land O' Goshen Fair in connection with the Firemen's Auction.

The Friends of the Library paid for the painting of the library building this summer. They also paid for the construction of a new set of shelves.

A Memorial plaque to "Peggy Pike" was placed on the flag standard.

The Goshen Country Day School children visit the library every other Wednesday for a story hour and selection of books.

Snow removal and mowing has been done by Chris Gentes.

Margaret Kingston has submitted the following report:

## **GOSHEN PLANNING BOARD**

The Goshen Planning Board has directed its efforts during 1982 toward three (3) primary areas.

### **Municipal Law Lecture Series:**

This series of five (5) two-hour lectures updated members in the five areas listed below. Each session was intended to provide the board with basic guidance to help us function more effectively in our official capacity. Common questions that face boards and assistance in recognizing problems that may warrant professional local advice, were two major objectives.

1. Enactment of Ordinances and Regulations
2. Administration of Ordinances
3. Recent Developments in Municipal Case Law and the special problems associated with non-conforming uses, variances and special exceptions
4. Enforcement of Ordinances
5. Roads

### **Gunnison Lake:**

The Board has maintained extensive contact with the N.H. Water Resources Board over the last twelve months. As the town moves closer to signing a lease to take over this area board members would appreciate citizen input as to how each of the topics listed below should be written in the lease agreement.

1. Nature Trail(s)
2. Picnic Area
3. Parking Facilities
4. Bird Blind
5. Absence of motors on boats using lake
6. Fish stock being limited to trout
7. Hunting to be prohibited
8. Security and maintenance of area

### **Master Plan Coordination with Local Ordinances and Regulations:**

A working copy of the Master Plan was developed during the year. The Joint Boards now realize that an extensive amount of work needs to be accomplished in order to bring on line our local ordinances, regulations and town building code. We have sought professional legal advice and hope within the next twelve months to be able to reflect town wishes with planning documents which support and compliment each other.

John H. Scranton  
Chairman

## **SULLIVAN COUNTY REGIONAL REFUSE DISPOSAL DISTRICT**

### **Annual Report of Activities**

The Claremont City Council and the voters of all 14 towns in Sullivan County adopted the District Agreement at March 1982 town meetings. The powers, duties and liabilities of the District are vested in the District Committee. The District Committee is comprised of representatives, appointed by the City Council and Boards of Selectmen, from each member community. The District Committee held its organizational meeting on May 6, 1982. Alston Barrett, Acworth, was elected Chairman and Abraham Hunter, Lempster, was elected Vice Chairman. The treasurer of

the City of Claremont was appointed Treasurer. Susan Laskoske was appointed Secretary. Additional meetings were held on August 12, October 14 and November 15, 1982.

To date, the District Committee has concentrated its activities on continued development of the NH/VT Solid Waste Project. The NH/VT Solid Waste Planning Committee, comprised of the District Committee and its counterpart, the Board of Supervisors of the Southern Windsor/Windham Counties Solid Waste Management District, met bimonthly during the past year. Efforts have been directed towards sufficient development of the Project so that key information will be available to the member communities by mid-January, 1983. Summarized below are the major activities that the District has been working on:

(1) A search for a private firm willing to design, construct, finance, own and operate an energy recovery facility has been completed. Clark-Kenith, Inc., Atlanta, Georgia, was selected and will submit a detailed proposal on January 7, 1983. The proposal will include a per ton disposal fee bid, or price per ton, that Clark-Kenith proposes to charge the District for acceptance of the solid waste at an energy recovery facility owned and operated by Clark-Kenith.

(2) A land disposal site has been selected in Newport, adjacent to the Claremont/Newport town line. Over \$40,000 in hydrogeologic and engineering work will be completed on the site by the first week in January, 1983. Drilling of test wells and the hydrogeologic assessment have been completed to date. The site has been shown to have favorable hydrogeologic conditions for land disposal. Positive discussions with State regulatory agencies have been held. Preliminary design and cost estimates for use of the site either as an ash disposal site or regional landfill are being finalized.

(3) The NH/VT Interstate Solid Waste Compact has been approved by the United States Congress and signed into law by the President. This allows the two Districts to move forward towards cooperatively developing the Project.

(4) A draft transportation analysis has been completed. Cost estimates for construction and operation of transfer stations, where necessary, and transportation of the waste to Claremont have been developed. These costs will be combined with Clark-Kenith's bids, ash disposal costs, and estimated District administrative costs to provide each community with the projected 1985 total costs for participation in an energy recovery facility.

(5) A two-week weighing survey was conducted at area landfills during June and September, 1982 to confirm solid waste quantities.

(6) A proposal was solicited and received from Resource Recovery Systems, Inc., Branford, Conn., to operate a glass and can recycling facility in conjunction with an energy recovery facility.

(7) A draft environmental assessment of the proposed energy recovery facility has been completed and is available to interested parties.

(8) Negotiations with Central Vermont Public Service Corp. (CV) ended with a final offer from CV which the Project considers unacceptable. A petition has been filed with the New Hampshire Public Utilities Commission (PUC) requesting the PUC to establish a long-term rate. A hearing has been scheduled for February 11, 1983.

(9) Preliminary discussions have been held with communities outside of the District with respect to joining the District. Three New Hampshire communities have

expressed some interest.

In summary, the District Committee should be able to make a decision on continued development of an energy recovery facility or regional landfill during January 1983. Either facility could be operational by 1985. Total estimated costs, based on site specific engineering data and contractor bids will be available to the participating towns and cities by January 20, 1983.

## **REPORT OF THE GOSHEN CONSERVATION COMMISSION 1982**

The Goshen Conservation Commission met 11 times in 1982.

The commission continued its participation in the acid rain study this year. Barry Genzlinger, who resigned from the commission in August, and Steven Edes shared the responsibility for collecting the data and mailing the results to Concord after each storm. The study, which ended in November, was sponsored by The Citizens' Task Force on Acid Rain and the New Hampshire Assn. of Conservation Commissions.

A public information program on Acid Rain was organized by the commission and held on May 19, 1982. The program was co-sponsored by the Goshen Sounding Board.

Commission members attended a joint meeting with the Goshen Planning Board to hear James Carter from the Water Resources Board explain his views on the lease agreement for the newly-created lake in Goshen.

Two workshops were attended by commission members in November. The Annual Meeting of the New Hampshire Assn. of Conservation Commissions was held in New London. This workshop provided information on the dredge and fill permit process, town forests, aquifers and ground water, and natural areas inventories. The workshop which was held with the joint boards in Goshen provided the commission with the information on legal issues. These workshops help to keep commission members up-to-date on legislation and programs.

Much of the commission's work this year focused on identifying and indexing wetlands in Goshen. After obtaining assistance from the Soil Conservation Service, the commission established a format for the index. Two maps were prepared and mounted on foam core, and the initial organization of a notebook was undertaken. The notebook, when completed, should contain data about each wetland unit and correlate with the prepared maps. The index is now at the beginning stage, and it needs continued work. This project may take considerable time and possibly outside expertise in order to be completed accurately.

All meetings of the Goshen Conservation Commission are open to the public. Interested citizens are urged to attend.

Respectfully submitted,

Lillian Scranton, Chairman  
Gerald H. Dickerman  
Steven H. Edes  
Philip S. Mygatt

## NEWPORT AREA HOME HEALTH AGENCY

### 1982 Report

The basic services of Skilled Nursing, Physical Therapy and Home Health Aide provided by Newport Area Home Health Agency increased slightly during 1982 with some shifts in utilization by individual towns. The Agency has added blood drawing (for analysis) in the home to its services.

The Agency's Well Child Clinic remains well attended. Adult screening clinics were held successfully in Grantham and Goshen in addition to the regular sessions in Newport.

The Agency continues to work in cooperation with the Counseling Center of Sullivan County to help those with Mental Health problems.

Newport Area Home Health Agency staff in cooperation with New Hampshire Division of Welfare personnel is providing regular sessions for those with special parenting problems. This is part of the Child Abuse and Neglect Program which is supported by United Way.

As a new service in Community Health Promotion and Education the Agency sponsored an eight-week course on Self Care of the Elderly. This program is to be repeated in February 1983.

Newport Area Home Health Agency appreciates the support of the Towns and will continue to provide high quality service to all those who need Home Health Care.

### SERVICES PROVIDED TO THE CITIZENS OF GOSHEN IN 1982

## SUPERINTENDENT'S REPORT

### TO THE CITIZENS OF SCHOOL ADMINISTRATIVE UNIT #43:

The American School Board Journal recently completed its fifth annual survey of school board members across the country. More than 4,200 board members responded to a survey in which they were asked to list the major concerns or problems facing the schools.

The following concerns were listed along with the percentage of responses:

1. Lack of financial support	23.4%
2. Declining enrollment	20.0%
3. Parents' lack of interest	12.6%
4. Use of drugs	8.6%
5. Lack of discipline	6.2%
6. Finding good teachers	5.8%
7. Teachers' lack of interest	5.3%
8. Disrespect for students & teachers	4.3%
9. Poor curriculum & poor standards	4.2%
10. Pupils' lack of interest & truancy	4.0%
11. Large schools & overcrowding	2.3%
12. Crime & vandalism	1.9%
13. Integration & busing	1.4%

Perhaps local citizens would have a different priority listing, but I doubt that the concerns would be very different. I would like to mention the first few items and explain how they affect us locally.

Certainly financial support of the schools is extremely important locally since our schools are almost completely funded by local property taxes. New Hampshire ranks 50th (last) in the nation in regard to state aid to local districts for public education. Each school district has to rely almost exclusively on the local property owner for the support of schools. That is why there is such a difference in educational programs and facilities in this state. This difference is going to become greater and greater if the present method of funding our schools continues. The wealthy districts will have the better all-around programs while the poorer districts will just not be able to keep up with their neighbors.

Our schools have not been seriously affected by large decreases in student enrollment. When we have had decreases locally, we have tried to appropriately reduce our staff through retirements and normal attrition. We don't expect this to be a serious problem in the future.

Parental interest in our schools varies according to the different activities. In some districts we have very strong support for building programs, athletic programs, music activities, honor programs, student exchange activities and other special programs as they develop, and of course, we encourage all citizens and parents to participate actively in any phase of our school program.

We have spent a lot of school time and teacher time on the drug and alcohol problem. Our schools are very alert to the fact that we need to cooperate with all parts of the community to combat this serious teenage problem. We are continually trying new programs which we hope will effectively educate our students to the serious effects of these substances. We will continue to use every available means in this area, but we know that the schools cannot do it alone.

Students generally behave properly in school. But, we always have had and continue to have a small element who do not behave as they should within the school environment. Unfortunately, our teachers and administrators spend a disproportionate amount of their time dealing with this small number of students. Some of our schools are trying new discipline codes and new behavior modification programs

specifically designed for these students. We cannot and should not spoil the learning environment for the large majority of well behaved, good mannered students just because a few continuously misbehave.

Excellent teachers have always been hard to find. But now, in some areas, good teachers and even average teachers are extremely difficult to locate. New Hampshire ranks 49th, just above Mississippi, in the average pay our teachers receive. The typical teacher in Massachusetts earns \$5,200.00 more a year than the same teacher in New Hampshire. Why should a teacher or administrator choose to come to New Hampshire when 48 other states will pay more for the same work?

Our school districts have always maintained excellent programs with the financial resources available. It is going to be much more difficult to accomplish this in the next few years.

Respectfully,  
John H. Sokul  
Superintendent of Schools

## REPORT OF THE ASSISTANT SUPERINTENDENT

### TO THE CITIZENS OF GOSHEN-LEMPSTER:

As the Assistant Superintendent in charge of the Goshen-Lempster Cooperative School may I sincerely state that it is a pleasure to work and to be associated with your staff, the students and the School Board of Goshen-Lempster.

I'd like to point out a few items that might be of interest to you concerning areas in which emphasis has been placed these past few months.

1. Due to increased enrollment a third bus had to be purchased by the Newtons in November. This bus has eliminated the need for our feeder route, double runs and extended waiting for certain students.
2. Savings in insurance payments - due to the Board's decision, a \$900.00 reduction will be realized. The savings came about through a combined policy, put out to bid with the Newport and Sunapee schools.
3. Purchase of computers - three computers (one free) purchased through Federal grant money are being used and infused into the curriculum. The Regional Center in Hanover will assist us by sponsoring workshops in order to develop a program of studies for grades 1-8 in computer use.
4. The curriculum is being scrutinized again this year, particularly in social studies. Your library offers an efficient and attractive area that certainly adds to the academic opportunities for the students.
5. The overall program and facility - again, may I offer that your interest, dedication and willingness to refurbish and add to the building three years ago has resulted in a fine facility - one that is not extravagant, but functional and cost effective.

Respectfully submitted,  
Paul J. Linehan  
Assistant Superintendent of Schools

**HEAD TEACHER REPORT**  
**1982**  
**Goshen-Lempster Cooperative School**

The key to awakening the full capacity of our young minds is in our grasp. Each year the change process moves education along in pace with the times, creating new methods and facilities for the teaching of our youth. To be relevant in a changing world, education must change. Progress is a function of the degree of innovation, and the Goshen-Lempster School was abound with innovative energy in 1982. Sources of the energy were the people of our community, school staff and school board, individuals who exhibit a sensitivity to the processes of today's complex society.

Our greatest natural resource is the young mind, and our greatest source of innovation is the people of our community. This was exemplified last June when three community members conducted a Recycling Workshop for Goshen-Lempster students. The activity is illustrative of the introduction of current problems of living, and approaches to solutions, to the adults of tomorrow who will ultimately be faced with the dilemmas. Mrs. Leana Haubrich demonstrated a method for creating drinking glasses and other useful items from throw away bottles. Mrs. Laura Richardson showed students how to make kites from throw away paper products; she also explained Lempster's recycling method of separating bottles, tin cans and aluminum cans. Mrs. Ruth LeClair gave demonstrations of making terrariums from plastic bottles and making toys from tin cans and aluminum cans. The workshop is indicative of community involvement in education, bringing change to the learning process.

School staff members are continuously involved with change in the learning process. They strive to produce that little extra touch that entices the student into learning. The product is such activities as the Book Fair of last March which was sponsored by Mrs. Cheryl McGinnis and Mr. Ronald Purmort. The primary goal of the fair was to encourage student interest in reading and building home libraries; a secondary goal was to raise funds to establish a high interest/low vocabulary book collection for the library.

Another example of staff innovation is the Campbell Soup Labels for Education drive coordinated by Mrs. Rachel Tirrell. She induced motivation by sponsoring classroom popcorn parties for the classes which were able to bring in enough coupons to match a predetermined total, at which time a new contest would begin. The students were enthused as they monitored their progress on a graph posted at the main entrance, but the most important result was the students' feeling of pride when they purchased equipment with the labels in June. Last year 13,000 labels were collected which purchased sports and instructional equipment for each classroom.

Perhaps the most notable event of the past year was the School Board's insightful decision to purchase computers for instruction. The computer age has arrived in education, and the Board's desire was to ensure that the school curriculum remain relevant in a rapidly changing world. The broad objectives of the computer curriculum are: to establish a literacy in computer programming; to expose the student to the computer with both an academic and a career theme; to encourage the combined use of academic knowledge, deductive logic and technology for solving problems; and to create a sense of confidence in regards to technology that will accompany the student into his/her career life. Recent developments have provided us a great opportunity to implement the computer as a tool for teaching ALL students high level academic skills.

The momentum of computers in education is so great, and events are moving so rapidly, that we must hustle to keep pace. We pray that our society is able to guide its rampant technology into continued development for humane use. The pace is frightening, but we should keep upper most in mind that even though the computer

is more efficient at coming up with the answers, we are still asking the questions. Now we have the responsibility for effectively educating our youth for a life with rapidly advancing technology; we must all share that responsibility.

Respectfully submitted,  
John Bonfiglio

## **STAFF DEVELOPMENT REPORT**

### **March 1983**

Staff development is the process in which all school personnel must participate in order to maintain their credentials.

Each staff member must submit an individual in-service plan to his administrator with individual goals that are consistent with his/her own professional growth, the goals of the school, school district, school administrative unit, and the State of New Hampshire. The plan is written for a three year period and must be approved by the staff member's administrator.

During the time that the plan is written for the staff member he/she may attend workshops, conferences, take college courses, participate in school visitations, have an article published, serve on curriculum committees, etc.

At the end of each year the staff member will complete an Annual Summation of Activities Form so that an accurate record can be kept of what activities should be credited for recertification.

If the staff member has fulfilled his/her plan the administrator will recommend to the superintendent that the person be recertified.

The process begins again, as another three year plan is written and specific goals are decided upon.

If you would like any further information, or have any questions concerning this on-going procedure, which helps to keep our staff members current with the constantly changing educational process, please contact any member of the Staff Development Committee.

Sincerely,  
F. Donald Jones  
Chairman

**SCHOOL WARRANT**  
**THE STATE OF NEW HAMPSHIRE**  
**NOTICE: POLLS OPEN FROM 4 TO 9 P.M.**

To the Inhabitants of the Goshen-Lempster School District, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the 12th day of March 1983 at 4 o'clock p.m. to act upon Articles 1, 2, 3, and 4, the meeting to be recessed and opened again at 7 o'clock p.m. to act upon the remaining Articles in the Warrant. (Articles 5 through 9)

ARTICLE 1. To choose a Moderator for the ensuing year.

ARTICLE 2. To choose a Member of the School Board from Goshen for the ensuing five years.

ARTICLE 3. To choose a Member of the School Board from Lempster for the ensuing two years.

ARTICLE 4. To choose an Auditor for the ensuing year.

ARTICLE 5. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 6. To see if the District will vote to raise and appropriate the sum of \$494,452.00, as recommended by the School Board, for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of available income estimated at \$17,597.00.

ARTICLE 7. To see if the District will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for 1982-83 for the school lunch program, general expenses, equipment, and improvements.

ARTICLE 8. To see if the school district will vote to raise and appropriate the sum of \$500.00 for magnetic doors in the Goshen-Lempster school corridor.

ARTICLE 9. To transact any other business that may legally come before this meeting.

Given under our hands at said Lempster this 23rd day of February, 1983.
